GLOBAL CITIZENSHIP AND CULTURAL INTELLIGENCE

Is your school GC and *CI* ready?

Cultural Intelligence and cultural agility are not developed by chance or through isolated experiences. They are developed by design.

10 to 15

minutes daily
builds real,
cumulative CI.

1st

time CI can be
tracked, measured
& certified.

2,000+

modules spanning
50+ countries &
cultures.

100%

accreditation
aligned, school
ready framework.

KEY OUTCOMES:

Global Perspectives

Cultural Competency

Agency & Belonging

Future Readiness

Accreditation Evidence

WHAT TEACHERS SAID ABOUT GCCIE

"The GCCIE platform provides a structured and engaging environment where students can strengthen their reading and language skills. The challenge mode is especially effective in maintaining motivation and active participation."

"I noticed high levels of participation during the activities. Students were motivated and interested in the topic."

"Students showed enthusiasm during the Challenge Mode activities and actively participated in class discussions."

WHAT STUDENTS SAID ABOUT GCCIE

"I really like the platform because now we have badges and levels. It makes learning feel like a game and motivates me to log in from home on my own!"

"I enjoyed the quizzes because they felt like a game. It made me want to keep trying and do better!"

"The activities are easy to follow and the visuals help a lot. I really enjoyed the modules"

"The videos helped me understand the topic better and made the class more interesting."
